Dán – Múinteoirí

Le Fionn Ó Ceallacháin

Tagann siad ar scoil gach lá,
lena málaí móra is a mboscaí cailce.
boxes.

Tosaíonn siad ag múinteoireacht,
is ní théann siad riamh ar stailc.

Tugann siad obair bhaile
gach aon lá den bhliain.

Ach b'fhearr liom bheith ag imirt,
le mo chairde amuigh faoin ngrian.

Poem – Teachers

By Fionn Ó Ceallacháin

They come to school every day,
with their big bags and their chalk

They begin teaching,
and they never go on strike.

They give homework
Every single day of the year.

But I would rather be playing,
with my friends out under the sun.
