1.	an aimsir	the weather
	réamhaisnéis na haimsire	weather forecast
	fliuch, báisteach (fearthainn), ceathanna	wet, rain, showers
	sneachta, sioc, oighear	snow, frost, ice
	flichshneachta, cloichshneachta	sleet, hail
	scamallach, ceo, ceomhar	cloudy, fog, foggy
	tirim, grianmhar, tréimhsí gréine	dry, sunny, sunny spells
	teocht, céim, reophointe	temperature, degree, freezing point
2.	Conas a bhíonn an aimsir i San Diego?	How is the weather in San Diego?
	An mbíonn sé ag cur báistí go minic?	Does it rain often?
	An mbíonn sé fuar istoíche?	Is it cold at night?
	An mbíonn sé te sa samhradh?	Is it hot in the summer?
	An maith leat an aimsir i San Diego?	Do you like the weather in San Diego?
	Conas a bhíonn an aimsir in Éirinn?	How is the weather in Ireland?
	An maith leat an bháisteach?	Do you like the rain?
	An maith leat an aimsir in Éirinn?	Do you like the weather in Ireland?
	Má bhí tú riamh in Éirinn, conas a bhí an aimsir nuair a bhí tú ann?	If you were ever in Ireland, how was the weather when you were there?
	An raibh tú riabh i do chónaí in aon áit ina mbíonn sé ag cur sneachta?	Where you ever living in a place where it snows?
	An fearr leat lá te nó lá fuar?	Do you prefer a hot day or a cold day?
	Cad a dhéanann tú nuair a bhíonn sé ag cur báistí?	What do you do when it rains?

	An Aimsir Láithreach **Irial Ó Ceallaigh / VIFAX 20 Eanáir 2015**	**The Weather Now** **Irial Ó Ceallaigh / VIFAX 20 January 2015**
1.	Tá fáilte ollmhór romhaibh go dtí an réamhaisnéis agus chuig na príomhscéalta ar fad.	A big welcome to you to the forecast and to all the headlines.
2.	Agus, faoi láthair tá gaoth aniar aduaidh agus leis sin ba chóir go mbeadh sé fuar ar feadh roinnt laethanta eile.	And now there is a northwest wind and with that it should be cold for a few more days.
3.	Beidh flichshneachta agus sneachta ar thalamh ard ó thuaidh, agus chomh maith leis sin, beidh oighear ar na bóithre anocht.	There will be sleet and snow on high ground to the north, and as well as that, there will be ice on the roads tonight.
4.	Ach, ar maidin ar a naoi a chlog beidh ceathanna insa deisceart faoin dtráth sin agus ceo uaireanta ó dheas.	But, in the morning at nine o’clock there will be showers in the south at that time and fog at times to the south.
5.	Insan oirthear, beidh sé níos deise, beidh an fhearthainn sin ag glanadh soir tar éis.	In the west, it will be nicer, that rain will be moving east afterwards.
6.	Beidh sé fuar, beidh sé timpeall ar an reophointe i mBaile Átha Cliath agus san oirthuaisceart, ach tirim.	It will be cold, it would around the freezing point in Dublin and in the northeast, but dry.
7.	Beidh flichshneachta agus sneachta insan iarthuaisceart uaireanta ach tréimhsí gréine chomh maith.	There will be sleet and snow in the northwest at times, but sunny spells as well.
8.	An teocht ansin i Ros an Mhíl thimpeall seacht gcéim agus gaoth mheasartha aniar ag séideadh insan iarthuaisceart.	The temperature there in Rossaveal around seven degrees and a modest wind from the west blowing in the northwest.
9.	Thar oíche beidh flichshneachta agus sneachta ó thuaidh agus i dtuaisceart Chúige Laighean.	Overnight there will be sleet and snow to the north and in the south of Leinster.
10.	Ó dheas de sin beidh ceathanna nó flichshneachta agus tar éis sin beidh sé níos deise ach beidh ceo ag forbairt thar oíche.	To the south of there, there will be showers or sleet and afterwards it will be nicer, but there will be fog developing overnight.
11.	Beidh sé fuar chomh maith le hoighear ar na bóithre.	It will be cold as well with ice on the roads.
12.	Beidh an teocht ag thimpeall céim faoi bhun an reophointe uaireanta i lár tíre, agus ó thuaidh; agus b’fhéidir sé chéim mar theocht is airde le cósta.	The temperature will be around one degree below freezing in the middle of the country, and to the north; and perhaps six degrees the highest temperature on the coast.
13.	Beidh gaoth aniar aduaidh insan iarthar níos déanaí.	There will be a northwest wind in the west later.
